WORK EXPERIENCE

Web Developer | 2025 – 2026

IFormatLogic

- Designed intuitive UI/UX layouts and interactive prototypes in Figma for web applications and websites.
- Developed responsive and dynamic websites, translating design concepts into high-quality, production-ready solutions.
- Worked closely with cross-functional teams to deliver projects on time while maintaining design consistency and technical excellence.

Information Desk / Encoder (OJT) | April – June 2024

Municipality of Subic Accounting Office

- Processed student scholarship and enrollment applications.
- Assisted in maintaining accurate student and administrative records.
- Encoded accounting data and supported daily financial documentation tasks.
